GIVINGTUESDAY

December 3, 2019

Join NOCE in the Global Generosity Movement, GivingTuesday

Dear NOCE Staff, Faculty, and Friends:

NOCE is joining the global generosity movement known as GivingTuesday. GivingTuesday is a movement empowering people to positively transform their communities. Since its inception in 2012, GivingTuesday is held the Tuesday following the Thanksgiving holiday with a simple goal - to encourage people to do good. Over the past few years, the global movement has grown to inspire millions to give and celebrate generosity.

Each year at NOCE, we look forward to celebrating our students who have overcome so many obstacles to achieve their goals. Whether it is to earn a high school diploma, start a new career, live independently, increase their skills to prepare for job advancement or transition to college, become a better parent, gain citizenship, or strike a health and wellness balance, NOCE has provided an opportunity to succeed. It is through the guidance of our staff and faculty, friends and family, as well as monetary assistance in the form of scholarships, that often help our students reach their potential and beyond!

On December 3, 2019, we invite you to join the GivingTuesday movement and donate

to NOCE student scholarships so students can continue to reach their educational, career, and lifelong goals.

Thank you for giving your time, talent, and for treasuring student success.

Sincerely,
Valentina Purtell
Provost, North Orange Continuing Education

Support Student Success and Make a Donation Today to the NOCE Scholarship Program!

North Orange Continuing Education offers a variety of scholarships to students on an annual basis. This NOCE Scholarship Program is part of the Community College Foundation of North Orange County (CCFONOC), informally known as the NOCCCD Foundation.

Established in 1987, the CCFONOC is a charitable, not-for-profit, tax-exempt organization under provisions of Section 501(c)(3) of the Internal Revenue Code, as well as a public charity, according to Section 509(a)(1) and 170(b)(1)(A)(vi) of the Internal Revenue Code. The foundation's purpose is to assist in the achievement and maintenance of superior educational and community programs of the North Orange County Community College District. In 2008, the bylaws were expanded to include a standing committee to administer scholarship opportunities for North Orange Continuing Education students.

Giving Tuesday Donations Will Help NOCE Students Achieve Academic and Career Goals!

Scholarship donors honored NOCE scholarship recipients at the 2019 scholarship reception event this past June.

The Community College Foundation of North Orange County helps NOCE students achieve their academic and career goals by assisting students with the financial cost of attending class. NOCE scholarships help offset the cost of tuition, books, and testing fees.

Scholarship Success Stories

Christian Sotelo

Christian Sotelo was awarded the R2A Architecture Book Award for Career Technical Education. Christian plans to complete the Administrative Assistant Certificate Program and transfer to Cypress College. His goal is to be the first in his family to graduate from college and work as an office clerk.

Lisa Tran

Lisa Tran is the recipient of the Career Technical Education Supply Award, the Christine Terry Scholarship, and the English as a Second Language Beginning Low and Beginning High Award. Lisa would like to enroll in the NOCE Medical Assistant Certificate for a future career in preventative care.

Gwendolyn Fernandez

Gwendolyn Fernandez is the recipient of the Dr. W. Gary McGuire Scholarship and the Sydney Shue Scholarship. She will use these awards to earn an associate degree at Cypress College and then transfer to a university to obtain her bachelor's degree. She also plans to test for the Registered Health Information Technician (RHIT) credential.

Brandon Ochoa

Brandon Ochoa is the recipient of the Administrative Assistant Scholarship. With the help of this scholarship, Brandon hopes to pay for the tests and other materials required for him to transfer to a community college to study architecture.
