Lifeskills Education Advancement Program (LEAP) Department

PARN 267	Love and Logic Early Childhood Parenting Made Fun!®	30	Addition of DE Addendum and title update.	This course assists parents and caregivers in developing practical skills for reinforcing the expectations their children experience at home and in school. Utilizing The Love and Logic Early Childhood approach, this course will teach five subsets of skills that encourage home environments that stimulate responsibility, prevent misbehavior, and encourage setting healthy limits.	1305.60 D- Possible Occupational	Spring 2022

Updated Programs

Program and Program Description	Effective Term	Justification
<p>ECE Preschool Assistant Teacher</p> <p>The Preschool Assistant Teacher certificate is designed, as the first level in a series of certificate options, to prepare students for entry-level child care and education support in a variety of state licensed facilities including preschool and child care center. Students can be expected to learn the following: developmental stages of children from prenatal to middle childhood, theories in early childhood education, developmentally appropriate curriculum and practice, examination of the history, basic principles, and philosophies of various types of early childhood programs. With a solid foundation in the core areas of early childhood education, students will be better prepared to meet the demands in assisting classroom teachers in caring for young children. Students completing these courses will meet the requirements of the Department of Social Services to work in a licensed private preschool or child care center as a fully qualified preschool assistant teacher.</p>	<p>Spring 2022</p>	<p>The ECE Preschool Assistant Teacher certificate is designed, as the first level in a series of certificate options, to prepare students for entry-level childcare and educational support in a variety of state licensed facilities including preschool and child care centers. Updated Programs

Program and Program Description	Effective Term	Justification
<p style="text-align: center;">ECE Preschool Director</p> <p>The Preschool Director certificate is designed, as the third level in a series of certificate options, to prepare students the academic tools to plan and administer a child care program in a variety of state licensed facilities including preschool or child care center. In the program, students are required to complete the nine core courses and two elective courses, which prepare the students with a solid foundation in early care and education. In addition, students can be expected to learn and develop needed knowledge and skills to manage and supervise in an administrative position, and participate in workplace efficiently. This includes administrative tools, and techniques needed to organize, open, and operate an early care education program. To be eligible for this certificate, three enriched elective courses are required as well. Students completing this program will meet the requirements of the Department of Social Services to work in a licensed private preschool or child care center as a Center Director.</p>	<p>Spring 2022</p>	<p>The ECE Preschool Director certificate is designed, as the third level in a series of certificate options, to prepare students with the academic tools to plan and administer a childcare program in a variety of state licensed facilities including preschool or childcare centers.
