

**GUIDED PATHWAYS ESSENTIAL PRACTICES: SCALE OF ADOPTION SELF-ASSESSMENT
CALIFORNIA COMMUNITY COLLEGES’ ASSESSMENT OF PROGRESS IN THE IMPLEMENTING OF GUIDED PATHWAYS**

Revised February 2019, November 2019

Institution Name: North Orange Continuing Education

Date: April 2022

Key:

Scale of Adoption	Definition
<i>Not occurring</i>	College is currently not following, or planning to follow, this practice
<i>Not systematic</i>	Practice is incomplete, inconsistent, informal, and/or optional
<i>Planning to scale</i>	College has made plans to implement the practice at scale and has started to put these plans into place
<i>Scaling in progress</i>	Implementation of the practice is in progress for all students
<i>At scale</i>	Practice is implemented at scale—that is, <u>for all students in all programs</u> of study

Guided Pathways Essential Practices	Scale of Adoption at Our College	Progress to Date Implementing Practice <i>(If Scaling in Progress or At Scale, please indicate which term (e.g., fall 2015) the college first reached this point)</i>	Next Steps Toward Implementing Practice at Scale & Timeline
<p>We are interested in how colleges connect equity efforts to their pathways work, planning, and discussions. The guiding questions in each of the four areas can help colleges consider how equity intersects with specific pathways practices. As themes, ideas, or areas for future work emerge during your discussion, please note the ways in which equity issues connect with guided pathways implementation in “Progress to Date” and “Next Steps”.</p>			
<p>Equity Considerations in Area 1:</p> <ul style="list-style-type: none"> • Are the college’s website and program pages easy to navigate and understand for students and families without prior experience with higher education? • How could the college ensure that access to and use of this information is equitable for students who have been historically underrepresented and/or underserved in higher education (e.g., racial/ethnic minority students, lower-income students, first-generation students, students with disabilities, indigenous students, formerly incarcerated students, veterans, undocumented students, etc.)? • How are financial costs, potential debt, and economic benefits of program completion (including paths to program-relevant regional employment, projected earnings, and transfer outcomes) made clear for prospective students? Do program websites clarify differences in earnings potential between related certificates and degrees and across levels of educational attainment? 			
<p>1. MAPPING PATHWAYS TO STUDENT END GOALS</p> <p>a. Programs are organized and marketed in broad career-focused academic and communities or “meta-majors”. <i>(Note: This practice was added to the SOAA in February 2019)</i></p>	<p><i>Place an X next to one:</i></p> <p>Not occurring Not systematic Planning to scale Scaling in progress At scale</p>	<p><i>Progress to date: (2,500 character)</i></p> <p>1) An NOCE Career Interest Workgroup identified program clusters (meta-majors) to further facilitate career exploration. Career Interest clusters have been shared as part of Strategic Planning conversations and department meetings.</p> <p>2) NOCE’s new website launched in September 2020 and features a program/goal finder, a guided pathways tool where community members can funnel information on the site based on their interests/goals, who they are, or where they want to take classes. The new site has a robust search and translation features. Webpages include recommendations for other related programs to direct students to broad career-focused academic programs.</p>	<p><i>Next steps: (1,000 character)</i></p> <p>1) Efforts are underway to visually align NOCE programs to the five career interest clusters to clarify pathways to program completion, employment, and degree programs. This will be incorporated into existing NOCE web pages focused on transition and careers.</p> <p>2) Create greater awareness among faculty, staff, and students on the NOCE website features and program information available, such as the <i>What is your goal?</i> on the CTE page. Ensure information is accessible and easily available to students underrepresented and underserved in higher education.</p>

			<p><i>Timeline for implementing next steps:</i> 1) Spring 2022 2) Fall 2022</p>
<p>b. Every program is well designed to guide and prepare students to enter employment and further education in fields of importance to the college's service area.</p>	<p><i>Place an X next to one:</i></p> <p>Not occurring Not systematic Planning to scale Scaling in progress At scale</p>	<p><i>Progress to date: (2,500 character)</i> 1) NOCE CTE certificates are developed based on the Labor Market Information findings. During spring 2021, ESL Career Pathways programs, offered as I-BEST classes were piloted. The Personal Care Aide program provides ESL students an opportunity to complete all certificate requirements for Personal Care Aide (CTE) and ESL for Workforce Preparation, Advanced in one semester. During fall 2021, an additional Career Pathways program, Business Information Worker 1 was added.</p> <p>2) Career Launch Academy was purchased to assist students with preparing and obtaining internships. NOCE Career Connect launched in spring 2021 and provides information about job opportunities as well as access to LinkedIn Learning. During fall 2021, the Career Resource Center became the Career Skills and Resource Lab, an instructional lab where students can work on improving computer skills, soft skills, and/or employability skills.</p> <p>3) To meet AB 705 requirements, the Basic Skills Program began offering lecture-based math courses at Cypress College. In collaboration with Cypress and Fullerton Colleges, NOCE built six college prep courses and is currently</p>	<p><i>Next steps: (1,000 character)</i> 1) Continue to expand I-BEST and cohort-based certificate programs. Expand certificate offerings to include stackable certificates for students to enter the workforce more quickly while continuing their education for additional certificates.</p> <p>2) Continue to promote virtual and in-person workshops, career resource support, and instructional support offered through the Career Skills and Resource Lab.</p> <p>3) Expand noncredit pre-collegiate basic skills offerings, develop new CTE certificates to meet current labor market demands, and create additional I-BEST programs to match current NOCE CTE offerings.</p> <p>4) Increase and improve articulation agreements with Cypress College and Fullerton College through curriculum development and alignment of courses as well as partnering with sister colleges to deliver transition to college course offerings. ESL Transition workgroup has been formed to increase awareness about credit ESL course offerings and support transition to credit. The Transition to College course (IHSS300) will resume in spring 2022 and will be a partnership</p>

		<p>offering four College Prep Math courses and one College Prep English course. NOCE College Prep English and Math courses are open to students in all programs and are currently being offered fully online. In addition, NOCE has been State approved to offer Math Skills 1, 2, & 3 CDCP programs. ESL Academic Success program bridges ESL students with college programs to be successful in this academic setting.</p> <p>4) CTE and ESL are working closely with student services to guide students in their exploration of further education and career opportunities. For example, CTE and ESL students participate in Fullerton and Cypress College tours through the ACCT program. ESL Academic Success courses prepare students to transition to college or university, and ESL workforce preparation certificates prepare students for careers. There has been ongoing work between noncredit and credit ESL faculty to align credit and noncredit classes, ensure a smooth transition, and allow students to transition without taking a placement exam. The Grads to Be program provides support for education and employment options for undocumented students.</p> <p>5) DSS programs are designed to guide and prepare students for employment and transitioning to other educational goals (noncredit CTE, credit instruction) including: DSS classes, Workability III,</p>	<p>between the high school diploma program and NOCE’s transition counselor.</p> <p><i>Timeline for implementing next steps:</i></p> <ol style="list-style-type: none"> 1) Spring 2022 2) Ongoing 3) Fall 2022 4) Spring 2022

		<p>College to Career, Mobility, ARISE Lab, CAEP Job Development and Workforce, Equity Coaching, Transition Training, etc.</p> <p>6) Career training for older adults provided through the Emeritus Program by LEAP includes individual goal setting and technology skills for re-careering adults.</p> <p>Term, if <i>at scale</i> or <i>scaling</i>: Fall 2018</p>	
<p>c. Detailed information is provided on the college’s website on the employment and further education opportunities targeted by each program.</p>	<p><i>Place an X next to one:</i></p> <p>Not occurring Not systematic Planning to scale Scaling in progress At scale</p>	<p><i>Progress to date: (2,500 character)</i></p> <p>1) Regional SWP marketing project included NOCE CTE in the Future Built campaign consisting of a publication View Book and a website mapping CTE offerings of all community colleges in OC plus NOCE. The revised NOCE website includes pages for career resources, including Career Coach, and transition to college. Information for each CTE certificate includes salary and projected job growth on the website and the program guide.</p> <p>Term, if <i>at scale</i> or <i>scaling</i>: Fall 2020</p>	<p><i>Next steps: (1,000 character)</i></p> <p>1) Continue to refine communication about NOCE offerings to students, including mapping to colleges. Career Skills and Resource Lab and Counseling and Student Services department workshops are available to students throughout the semester and are currently offered virtually and in-person. Continue making workshops accessible and available on the website. The online CTE Mapping project will create online maps for pathways and programs. These maps will include links to services and resources as well as short videos to better connect students and create awareness about processes.</p> <p><i>Timeline for implementing next steps:</i></p> <p>1) Spring 2022</p>

<p>d. Programs are clearly mapped out for students. Students know which courses they should take and in what sequence. Courses critical for success in each program and other key progress milestones are clearly identified. All this information is easily accessible on the college's website.</p>	<p><i>Place an X next to one:</i></p> <p>Not occurring</p> <p>Not systematic</p> <p>Planning to scale</p> <p>Scaling in progress</p> <p>At scale</p>	<p><i>Progress to date: (2,500 character)</i></p> <p>1) Sequences of courses for NOCE certificates and HSDP are published in the NOCE catalog. In fall 2019, a new fully online format of the catalog became available on the website. The new catalog features interactive links with certificate requirements, certificate plan of study, and a list of courses for each certificate.</p> <p>2) Counselors use DegreeWorks when developing educational plans to advise students. During fall 2020, work was done to input courses and certificates so that students and counselors can accurately see what classes need to be completed using DegreeWorks.</p> <p>Term, if <i>at scale</i> or <i>scaling</i>:</p>	<p><i>Next steps: (1,000 character)</i></p> <p>1) CTE Program Maps are being developed to provide a visual aid for students to see the courses needed to complete a certificate. ESL and High School Diploma Program also include visuals in the schedule of classes to show students the courses or number of credits needed for a certificate or program completion. Workshops are offered to provide students with program information, for example, CTE Welcome Workshops and ESL Career Pathways Information sessions. These workshops provide an overview of courses needed and student services at NOCE. The CTE Welcome Workshops include live workshops as well as information for instructors to add to their Canvas page. ESL orientations and in-class presentations provide students guidance on course offerings and certificates.</p> <p>2) Previous catalog year program information will be input into DegreeWorks. Internal organizational structure and maintenance still needs to be discussed and formalized. The district-wide roll-out of the updated DegreeWorks platform was delayed and is now scheduled to be released in spring 2022. Districtwide training and a student marketing campaign will take place to encourage students to access DegreeWorks during spring 2022.</p>

Additionally, students wishing to upgrade their basic math skills can access customized Math modules through Math direct instruction (when in-person instruction is available), NOCE Learning Centers, and the College Prep Basic Math curriculum.</p> <p>Term, if <i>at scale</i> or <i>scaling</i>:</p> <p>Fall 2019 College Prep Math Courses</p> <p>Fall 2015 Direct Instruction-Math workshops</p>	<p><i>Next steps: (1,000 character)</i></p> <p>Further work needs to be done in developing a fitting instructional model to assist NOCE CTE students with the mastery of Math skills required for their programs of study. There is exploration of additional Math opportunities along the CTE pathway.</p> <p><i>Timeline for implementing next steps:</i></p> <p>TBD</p>

Guided Pathways Essential Practices	Scale of Adoption at Our College	Progress to Date Implementing Practice <i>(If Scaling in Progress or At Scale, please indicate which term (e.g., fall 2015) the college first reached this point)</i>	Next Steps Toward Implementing Practice at Scale & Timeline
<p>Equity Considerations in Area 2:</p> <ul style="list-style-type: none"> Does the college assess whether historically underrepresented and high needs students are disproportionately enrolled in programs that lead to lower remuneration careers? Has the college considered how it can help underrepresented students raise their educational and career expectations while at the same time meeting their more immediate economic needs? For critical program courses, does the college disaggregate enrollment, pass rate, and subsequent success data by student characteristics? What strategies has the college used to improve overall student success in these courses? Does the college proactively partner with feeder high schools that serve predominantly underrepresented and high needs students to help students explore academic and career interests and develop viable plans for college? Are dual enrollment opportunities made available to high school students who are deemed “not yet college ready”? Is the college building bridges to high-opportunity college programs for students in adult basic skills programs? 			
<p>2. HELPING STUDENTS CHOOSE AND ENTER A PROGRAM PATHWAY</p> <p>a. Every new student is helped to explore career/college options, choose a program of study, and develop a full-program plan as soon as possible.</p>	<p><i>Place an X next to one:</i></p> <p>Not occurring Not systematic Planning to scale Scaling in progress At scale</p>	<p><i>Progress to date: (2,500 character)</i></p> <p>1) Programs offering certificates of completion, like ESL, HSDP, DSS and CTE require at least an orientation and in most cases, educational planning. The HSDP requires new students to complete an educational plan at the start of their program and many CTE programs have created an assignment or course requirement for students to meet with a counselor. ESL students are also encouraged to meet with a counselor early in their program. DSS Counselors meet with each new student to conduct an intake interview that includes orientation, disability verification, identification of needed accommodations, development of educational and vocational goals. They collaborate closely with general counselors.</p> <p>2) All NOCE students have access to the Career Skills and Resource Lab and the ACCT program. The Career Skills and Resource Lab offers a variety of career</p>	<p><i>Next steps: (1,000 character)</i></p> <p>1) Direct outreach to new or prospective students is taking place through newsletters, email or phone contact, and workshops. Before completing the CCCApply application, students complete a short interest form. After completing this form, students receive an email welcoming them and guiding them on the next steps to expect. Additional outreach is focused on students who complete the application but don’t enroll to ensure students have the information they need to register, encourage students to complete an educational plan, and more fully explain programs of study and career opportunities. Beginning spring 2022, Starfish will be piloted to “flag” students who get stuck at any point in the onboarding process to get them connected with registration or counseling assistance. NOCE will continue comprehensive marketing and outreach campaign to create greater awareness about NOCE</p>

		<p>exploration workshops and resources, including Career Coach which allows students to take a career assessment, browse careers, and see programs available at NOCE and the two credit colleges in our district. The ACCT Program provides opportunities for college and career transition exploration through workshops and college tours. Any students can also be referred to the Career Skills and Resource Lab for additional, targeted support.</p> <p>Term, if <i>at scale</i> or <i>scaling</i>: Fall 2018</p>	<p>programs within the community as well as conduct process audits to increase efficiency and response time to prospective students.</p> <p>2) Expand access to career exploration through workshops and classes. Career Skills and Resource Lab and ACCT workshops are available in-person and virtually to increase accessibility to students. Explore revising and offering courses focused on career exploration and/or career exploration software.</p> <p><i>Timeline for implementing next steps:</i> 1) Spring 2022 2) Spring 2022</p>
<p>b. Special supports are provided to help academically underprepared students to succeed in the “gateway” courses for the college’s major program areas.</p>	<p><i>Place an X next to one:</i></p> <p>Not occurring Not systematic Planning to scale Scaling in progress At scale</p>	<p><i>Progress to date: (2,500 character)</i></p> <p>1) Students with disabilities who enrolled in CTE courses receive tutoring and additional support from educational coaches. Education coaching varies based on student and their individual needs. DSS identifies and provides accommodations for students based on their area of disability and educational limitation.</p> <p>2) All students are encouraged to use the ESL and Basic Skills Learning Centers. During fall 2021, the Business Computer Skills Lab and Career Resource Center were combined to offer an instructional lab where students can work on improving computer skills, soft skills, and/or employability skills.</p> <p>3) Additional support for students includes I-BEST options for selected</p>	<p><i>Next steps: (1,000 character)</i></p> <p>1) Institutionalize support programs such educational coaches. Explore creating a first-year experience support program to improve retention for students identified in the student equity plan.</p> <p>2) With classes available both online and in-person, NOCE will continue offering students support services online and in-person. ESL modules have been developed to support students with online learning. The 2022-2024 Distance Education Plan includes an objective related to a DE Student orientation and support strategies for students to be successful in online classes.</p>

		<p>CTE gateway courses and IET for intermediate/advanced level ESL students. During fall 2021, an additional I-BEST/Career Pathways Program was added for Business Information Worker I.</p> <p>Term, if <i>at scale</i> or <i>scaling</i>: Fall 2018</p>	<p>3) Expand I-BEST offerings and IET pathways to cover all CTE certificates. Increase targeted outreach and marketing so ESL students are aware of the I-BEST offerings and support specifically for ELLs.</p> <p><i>Timeline for implementing next steps:</i> 1) Fall 2022 2) Spring 2022 3) Ongoing</p>
<p>c. Special supports are provided to help academically underprepared students to succeed in the program-relevant “gateway” math courses by the end of their first year. (<i>Note: This practice was added to the SOAA in February 2019</i>)</p>	<p><i>Place an X next to one:</i></p> <p>Not occurring Not systematic Planning to scale Scaling in progress At scale</p>	<p><i>Progress to date: (2,500 character)</i> In addition to repeatability of noncredit courses, Math direct instruction, academic support in the Learning Centers, and self-paced studies in HS labs help students meet math requirements. Students have access to one-on-one or group math tutoring and embedded counseling which includes career and educational planning. The College Prep Math program enables students to improve their math skills through offering Basic Math, Pre-Algebra, and Elementary Algebra courses. Students in this program may receive additional academic support and free tutoring service through the Basic Skills Learning Centers. The Basic Skills GED/HiSet Prep program’s Math/Science lecture style classes provide the math readiness skills needed for students to succeed academically.</p> <p>Term, if <i>at scale</i> or <i>scaling</i>: Fall 2018</p>	<p><i>Next steps: (1,000 character)</i> Offer additional sections of noncredit lecture-based math courses on credit campuses. NOCE is currently working with EASE Learning to develop online high school diploma program courses, including a math course, ABED 115.</p> <p><i>Timeline for implementing next steps:</i> Fall 2022</p>

<p>d. Special supports are provided to help academically underprepared students to succeed in the “gateway” English courses by the end of their first year. ESL Academic Success Program focuses on academic reading, writing, listening, and speaking for noncredit students, as well as embedding technology skill-building into the curriculum. These courses are designed for students wishing to transition to credit-bearing courses. Students can receive additional support through the ESL lab and learning center. The College Prep English program provides the reading and writing skills needed for students to succeed academically. Students in this program may receive additional academic support and free tutoring service through the Basic Skills Learning Centers.</p> <p>The Basic Skills GED/HiSet Prep program’s English/Social Science lecture-style classes enable students to gain the literacy, reading, and writing skills needed to succeed in their coursework.</p> <p><i>Term, if at scale or scaling:</i></p> <p>Fall 2015 Direct Instruction--English Workshops</p> <p>Fall 2019 College Prep English Program</p>	<p><i>Next steps: (1,000 character)</i></p> <p>Offer additional noncredit lecture-based English courses on credit campuses.</p> <p><i>Timeline for implementing next steps:</i></p> <p><i>TBD</i></p>

In addition to the direct instruction courses, students can utilize Learning Centers for math, English, and ESL. Students can also use the computer skills lab for computer-related assistance.</p> <p>Tutors, Instructional Assistants, and faculty are available to assist students in the Learning Centers with their academic needs on a one-on-one basis or in groups at no cost to students. Students with disabilities who enrolled in CTE courses received tutoring and additional support from educational coaches. During the pandemic, Learning Centers for ESL and Basic Skills were able to offer online options.</p> <p>Term, if <i>at scale</i> or <i>scaling</i>: Fall 2018</p>	<p><i>Next steps: (1,000 character)</i> 1) Increase awareness of Learning Centers and promote them to all NOCE students. Basic Skills is currently piloting ConexEd for appointment scheduling for the in-person Learning Center and ESL continues to offer Zoom options as well as in-person. Access to tutoring and other student support services for DE students is also part of the DE Plan for 2022-2024. The Career Skills and Resource Lab is also available in-person and online to support career skills development.</p> <p><i>Timeline for implementing next steps:</i> 1) Ongoing</p>

GUIDED PATHWAYS ESSENTIAL PRACTICES	Scale of Adoption at Our College	Progress to Date Implementing Practice <i>(If Scaling in Progress or At Scale, please indicate which term (e.g., fall 2015) the college first reached this point)</i>	Next Steps Toward Implementing Practice at Scale & Timeline
<p>Equity Considerations in Area 3:</p> <ul style="list-style-type: none"> • How does the institution support advisors to incorporate engaging, proactive, and culturally relevant advising practices to better support underrepresented students' success in their programs? • How does the college ensure that underrepresented students are not disproportionately directed away from competitive, limited access programs? • How does the college integrate academic and student support services into pathways so that the support is unavoidable and therefore less stigmatized? • How does the college ensure that low-income students' financial stability needs (e.g., nutrition, transportation, childcare, public benefits, emergency assistance) are being met so they can make progress toward program completion? 			
<p>3. KEEPING STUDENTS ON PATH</p> <p>a. Advisors monitor which program every student is in and how far along the student is toward completing the program requirements.</p>	<p><i>Place an X next to one:</i></p> <p>Not occurring</p> <p>Not systematic</p> <p>Planning to scale</p> <p>Scaling in progress</p> <p>At scale</p>	<p><i>Progress to date: (2,500 character)</i></p> <p>1). OIRP tracks the number and percentage of students in ESL, CTE, and HSDP who have completed an SEP. DSS and HSDP are the only programs requiring educational (student success) plans for every student.</p> <p>2) Students are required to complete a graduation check with a counselor to confirm completion of CDCP certificate programs. Instructors encourage students to meet with a counselor as they are nearing program completion. Students who are missing program requirements are advised on steps to completion. CTE counselors work with faculty to complete Grad Checks during class time and have expanded this offering to include the ESL Career Pathways Program classes in spring 2021 and fall 2021.</p>	<p><i>Next steps: (1,000 character)</i></p> <p>1) Additional data collection and follow up needs to be completed to learn more about the students from each program who have not completed an SEP and increase in-reach to students about completing an SEP through visits to classes, labs, and Learning Centers.</p> <p>2) Explore and implement the degree audit feature of DegreeWorks. The DegreeWorks update planned for spring 2021 was delayed. As the update is implemented, work will be done to identify students from different programs. Identify ways for cohorts of students to complete graduation check forms during class time with a counselor or explore automating the process.</p>

In addition to promoting counseling appointments, provide training for support staff and faculty to support students in accessing their educational plan through DegreeWorks. Once the DegreeWorks update takes place, a marketing campaign for students to learn about DegreeWorks and encourage its use will be launched. Ensure that certificate information is updated in DegreeWorks to accurately create student educational plans.</p> <p>3) Create opportunities for students to meet with a counselor to update their ed plan at various times throughout their programs.</p> <p><i>Timeline for implementing next steps:</i></p> <p>1) Spring 2022</p> <p>2) Spring 2022</p> <p>3) Ongoing</p>

Team members were trained on the NABITA behavior intervention and threat assessment strategies and will begin to develop the structure for responding to students in crisis. 2) During summer 2021, a contract with Starfish Connect and Engage platform was finalized and an implementation team was created. This will serve as an early alert tool, beginning with a small pilot to create a success network of instructional faculty and counselors. 3) With the pandemic, a number of supports have been put in place to help students stay enrolled including emergency aid programs, drive-through food distribution, a laptop loan program, drive-up Wi-Fi access, and a book award program. <p>Term, if <i>at scale</i> or <i>scaling</i>:</p>	<p><i>Next steps: (1,000 character)</i></p> <ol style="list-style-type: none"> 1) The CARE Team will be trained on using the Maxient reporting system and develop an Incident Reporting form. Guided Pathways Essential Practices	Scale of Adoption at Our College	Progress to Date Implementing Practice <i>(If Scaling in Progress or At Scale, please indicate which term (e.g., fall 2015) the college first reached this point)</i>	Next Steps Toward Implementing Practice at Scale & Timeline
<p>Equity Considerations in Area 4:</p> <ul style="list-style-type: none"> • How is the college ensuring that underrepresented students participate in program-relevant active and experiential learning opportunities? • As faculty make curricular changes to better align course assignments with program learning outcomes, how does the college support faculty to implement pedagogical changes that better support learning outcomes success for underrepresented students (e.g., culturally responsive teaching)? • What opportunities exist for faculty or advisors to critically examine their role in advancing equity-minded teaching and advising practices at the college (e.g., critically examining the role of unconscious bias in the classroom or advising that could affect student aspirations for a particular field and/or program selection)? • Is the college disaggregating program learning outcomes data, program retention and completion data, and other assessment measures by race, income, age, and gender to examine equity gaps? How is this data disseminated and discussed among college staff, with students, and with the outside community? 			
<p>4. ENSURING THAT STUDENTS ARE LEARNING</p> <p>a. According to the design of the NOCE SLO assessment cycle, each program selects at least one PLO to be assessed every term. In August of 2019, NOCE contracted with eLumen to utilize the SLO portion of their software. The system provides information to support faculty and departments as they evaluate their classes and complete program review as well as allow the research department to utilize the information needed to analyze institutional effectiveness.</p> <p>Term, if <i>at scale</i> or <i>scaling</i>: Fall 2021</p>	<p><i>Next steps: (1,000 character)</i> Follow up with departments to make sure faculty and departments are receiving the information needed to address the learning gaps and to complete program review.</p> <p><i>Timeline for implementing next steps:</i> Summer 2022</p>

Student Engagement and Support	
STUDENT ENGAGEMENT	<i>Guided Pathways legislation specifically asks for a report on progress in engaging students in the planning and implementation of the reforms. Your answers below will provide the Chancellor's Office a system-wide qualitative measure of this effort.</i>
<p>In what ways are you continually engaging students in the planning and implementation of Guided Pathways on your campus? 	<p><i>Engagement Efforts - Details: (1,000 character)</i></p> <p>The NOCE Student Leadership Program is designed to develop student leadership skills, promote greater student engagement, and empower students to have an active role in the decision-making and planning process of our institution. Student leaders are assigned to various committees and work groups, including: President's Cabinet, Budget Committee, Institutional Effectiveness Committee, Student Equity and Achievement Program Workgroup, Community Relations Team/Marketing, Technology Committee, Accessibility Workgroup, and the newly formed Diversity, Equity, Inclusion, and Antiracism workgroup. In addition, NOCE student leaders are invited to participate in Districtwide advisory groups. Each student leader is coached and guided by a mentor from the NOCE administrative team and participates in NOCE and District-sponsored conferences, events, and meetings throughout the year.</p>
COURSE ALIGNMENT	<p><i>How is the college exploring alignment of course offerings with student education plans?
