- VIII. Report of Curriculum Chair: The Chair reported that she has been meeting with individual departments regarding the Attendance Accounting project. She also noted that she is considering having CurricuNET suspend the automatic email notifications that CurricuNET sends out to the colleges due to the need for more precise language regarding their roles. Dr. Stiemke shared that NOCE has an opportunity to offer the Apple Swift Curriculum, which Dr. Breland, Chancellor of NOCCCD, has expressed great interest in for NOCE. A preliminary review of this curriculum will be shared with the Committee at a later date. She reminded the Committee that more curricula besides the Attendance Accounting Project courses are in CurricuNET awaiting review. She also expressed the need to suspend all new curricula, except for curricula that are currently in the works, until there is an opportunity to train individuals in adequate curriculum development. She noted that this suspension would not impact any curriculum for Spring 2024.
- IX. Old Business:
 - a. Attendance Accounting Project: Dr. Stiemke shared that there are 102 courses left to check and that she is also ahead of schedule with getting DCC approval for the 105 courses that the Committee has already reviewed. She shared that late submissions have impacted the project's timeline and her workload. For some courses, outside-of-class hours exceed the number of in-class contact hours. She is still determining if this can be justified due to the two-hour rule. Other course misalignments have been identified, and she will continue to contact the departments and individuals for clarification.
- X. New Business:
 - a. Revised Courses: See page 17
- XI. Announcements:
 - A Doodle poll will be sent out to the Committee to check the Committee's availability to schedule a meeting with Dr. Harris.
 - WASQ training will be held on February 15, 2023, from 3:00 - 4:30 p.m.
- XII. Adjournment: The meeting adjourned at 3:27 p.m.

It was moved by Janet Cagley and seconded by Kenny Yu to adjourn the meeting.
