Student Voices from 2021/22 NOCE Surveys

The Office of Research and Planning facilitated various student surveys throughout the 2021/22 academic year. Provided are student voices received through the surveys.

"I personally would like to see NOCE continue offering a variety of online courses."

"The staff is very amiable and helpful, it was easy to register and they helped with any questions and doubts."

"There's certain classes that do not translate well to an online format..."

"I feel very happy and got three jobs since enter NOCE, we learn the skills necessary for your career..."

"An ID with a picture on it [would help NOCE better serve its students]."

"Thanks for allowing me to be able to give advice and a honest opinion about school related issues..."
