Student Success Spotlight: Bethel Estrada

Disability Support Services and Career Technical Education Programs

Bethel (Beth) Estrada's journey is a testament to perseverance and lifelong learning. After facing challenges in her Early Childhood Education (ECE) classes at Long Beach City College, she was referred to NOCE's Disability Support Services (DSS) to build her skills. She thrived in DSS, gaining independence and confidence, and graduated in May 2022. Determined to continue her education, Beth joined NOCE's College to Career (C2C) program and pursued ECE courses at NOCE. With dedication and support, she earned her Preschool Assistant Teacher Certificate in 2023 and completed her Infant Care and Preschool Teacher Certificates in 2024. Beth's hard work paid off—she was hired at a preschool in July 2024, where she loves working with children. She now aims to earn her ECE Preschool Director Certificate with continued educational coaching through DSS. A true lifelong learner, Beth's journey showcases the power of education, support, and determination! **Congratulations, Beth!**
