

FALL 2025 ONLINE STUDENT SURVEY

North Orange Continuing Education (NOCE) wants you to take part in the Fall 2025 Online Student Survey. This survey asks for feedback from students taking online courses, whether they are fully online, use Zoom, or are a mix of both. Your thoughts help us understand your learning experience and improve our online programs. The survey only takes a few minutes, and your answers will stay private. Thanks for helping us make NOCE's online learning better!

**Survey Closes on
