

## **Career Highlights**

Early Childhood Educators play a vital role in the development of children in their care. They instruct children through activities designed to promote social, physical, and intellectual growth. What children learn and experience during their early years can shape their views of themselves and the world, thereby having a profound effect on later successes in school, work, as well as their personal lives.

**\*\*This program is recognized by the State of California, Department of Social Services, Community Care Licensing Division (Title 22) for private childcare facilities. This course is based on instructional hours that are equivalent to ECE units for Title 22 facilities only. The Early Childhood Education Program is a noncredit program, and courses are not transferable for college units.**

## **Catalog Rights and Completion Deadline**

The course requirements for a specific certificate program may change from one catalog to the next and, therefore, may change during the period that a student attends NOCE. Catalog rights established when a student first takes classes at NOCE protect the student from being held for additional program requirements that may be added to a later catalog.

Students maintain catalog rights by maintaining continuous enrollment in one of the following courses at NOCE: Basic Skills, Career Technical Education, Disability Support Services, and English as a Second Language. Continuous enrollment is enrollment in any two of the previous consecutive terms, including Summer, resulting in an academic record of A, B, C, D, F, P (Pass), NP (No Pass), SP (Satisfactory Progress), or W (Withdrawal). Missing more than two consecutive terms will result in loss of catalog rights due to a break in continuous enrollment.

If continuous enrollment is broken, the student must adhere to the catalog requirements in effect at the time continuous enrollment is re-established and maintained. The lab enrollment in WFPR 100, WFPR101, keyboarding exams, and required certifications (e.g., CPR card) cannot be used to maintain catalog rights. Course substitution and course challenges do not maintain catalog rights.

This policy supersedes all previous catalog rights provisions and applies only to the programs at NOCE.

## **Course Substitutions:**

Requests for substitutions must be discussed with the CTE Office.

## **Challenge Exams**

This program does not offer any challenge exams.

## **Graduation Check for Program Certificate and Commencement**

To receive the certificate and participate in the Commencement Ceremony, students must schedule and attend a Graduation Check/Exit Interview appointment with a NOCE Counselor at the end of their final term to complete the application for the program certificate. If you do not plan on participating in the Commencement Ceremony, you still must schedule a Graduation Check/Exit Interview appointment with a NOCE counselor.

Once the Records Office receives your application and verifies that all the requirements have been met, the program certificate will be mailed to you.

## **Program Attendance and Grading Requirements (In-Person Courses)**

### **First Day of Class**

ATTENDANCE ON FIRST DAY OF CLASS IS MANDATORY to secure your place in class. If you are not in class ONE HOUR after the scheduled start time, your spot could be assigned to a student on the waitlist.
