## **Completion Timeline**

All courses required for the Management Certificate must be completed, and students must maintain Catalog Rights. No extensions and/or exceptions will be given. Those students who do not meet the requirements and/or have not maintained catalog rights will be required to repeat any classes and/or take any additional program requirements.

## **Catalog Rights and Completion Deadline**

The course requirements for a specific certificate program may change from one catalog to the next and, therefore, may change during the period that a student attends NOCE. Catalog rights established when a student first takes classes at NOCE protect the student from being held for additional program requirements that may be added to a later catalog.

Students maintain catalog rights by maintaining continuous enrollment in one of the following courses at NOCE: Basic Skills, Career Technical Education, Disability Support Services, and English as a Second Language. Continuous enrollment is enrollment in any two of the previous consecutive terms, including Summer, resulting in an academic record of A, B, C, D, F, P (Pass), NP (No Pass), SP (Satisfactory Progress), or W (Withdrawal). Missing more than two consecutive terms will result in loss of catalog rights due to a break in continuous enrollment.

If continuous enrollment is broken, the student must adhere to the catalog requirements in effect at the time continuous enrollment is re-established and maintained. The lab enrollment in WFPR 100, WFPR101, keyboarding exams, and required certifications (e.g., CPR card) cannot be used to maintain catalog rights. Course substitution and course challenges do not maintain catalog rights.

This policy supersedes all previous catalog rights provisions and applies only to the programs at NOCE.

## **Course Substitutions:**

This program does not allow any course substitutions.

## **Challenge Exams**

This program does not offer any challenge exams.

## **Graduation Check for Program Certificate and Commencement**

To receive the certificate and participate in the Commencement Ceremony, students must schedule and attend a Graduation Check/Exit Interview appointment with a NOCE Counselor at the end of their final term to complete the application for the program certificate. If you do not plan on participating in the Commencement Ceremony, you still must schedule a Graduation Check/Exit Interview appointment with a NOCE counselor.

Once the Records Office receives your application and verifies that all the requirements have been met, the program certificate will be mailed to you.

## **Program Attendance and Grading Requirements (In-Person Courses)**

### **First Day of Class**

ATTENDANCE ON FIRST DAY OF CLASS IS MANDATORY to secure your place in class. If you are not in class ONE HOUR after the scheduled start time, your spot could be assigned to a student on the waitlist.

No student will be allowed to enroll in a class after the established deadline.

### **Ongoing Attendance**

Regular attendance is expected of every student.

### **Waitlisted Students**

Before the class start date, students on the waitlist will be notified via e-mail as soon as a seat is available. Once you receive the e-mail, you will have up to 24 hours to accept the seat. If you do not accept, by the deadline given in your e-mail notification, the seat will be offered to the next student on the waitlist.

- The waitlist process is only valid before the class start date.
- After the class starts, students interested in adding a closed class must have instructor permission, so it is recommended that students who were on the waitlist attend the first day of class and request instructor permission to be added.
- For classes five weeks in length or less, students cannot add after the start date.
- For classes six weeks in length or more, students cannot add after the second meeting of the class.
- No student will be allowed to enroll in a class after the established deadline.

### **Grading Policy**

All courses in this program are graded (Pass or No Pass).

To be eligible to receive a passing grade, students in this program must meet both the minimum attendance requirements and the 80% or higher grading requirement.

If you are enrolled in a hybrid class and the first class meeting is scheduled to be in-person, see the First Day of Class policy for in-person classes.

No student will be allowed to enroll in a class after the established deadline.

### **Ongoing Active Participation**
