Student Success Spotlight - Trinh Truong
Student, Parenting Program – Love and Logic®

According to her teacher, Dr. Erin Sherard, Trinh Truong is one of the strongest, empathetic, and caring lifelong learners. Trinh started her journey in NOCE's Parenting Program in 2022. She came with the hopes of identifying ways to connect with her neurotypical daughter as she navigates life supporting a son with Autism. Trinh absorbed all that she could from her first NOCE Love & Logic® class and then over the next 18-months took several more Parenting classes. Her participation in these classes launched Trinh's courageous journey of self-discovery, healing, trauma-informed awareness, and positive parenting, while fiercely advocating for neurodiverse populations. She has been a resource and offers encouragement for other students who parent children with special needs. Despite a lifetime worth of challenges and barriers, Trinh's honest dialogue and positive attitude contribute to classrooms where students feel seen, heard, accepted, and included. She has embodied the core concepts of our Love & Logic® classes and lives them in her daily life.
